

New Yellow Renewal Voter Certificates:

As required by Texas Law, our office mailed out new yellow Voter Registration Certificates good for the next two years (2024-2026) to all active registered voters. Approximately 26,000 new voter registration cards were mailed beginning December 6, 2023. All active voters should receive a new biannual Yellow Card to replace the Blue Card. If you do not receive a card by Election Day, please remember you can still vote. Bringing the card to your polling place will help both you and others in line by speeding the process. You are still required to bring 1 of the 7 approved State Photo ID's. If you have received your voter registration card, please bring it with you.

- Please keep your certificates for your records. **“RETURN SERVICE REQUESTED”** does not mean return the card to us.
- We encourage all voters to check the information on their new cards for accuracy prior to the upcoming Election. You can make any necessary change on the back of the card. Sign it and place it inside an envelope or drop it off at the Anderson County Elections Office by February 5, 2024.
