The following estimated balances will remain at the end of the current fiscal year and are not encumbered with or by a corresponding debt obligation, less estimated funds necessary for operating the district before receipt of the first state aid payment:

> Maintenance and Operations Fund Balance(s) 1,350,000 390,000 Interest & Sinking Fund Balance(s)

A school district may not increase the district's maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.
